

Assemblyman lauds CMS for its CSR initiative

BP-Pg 17, Friday, 02/02/17

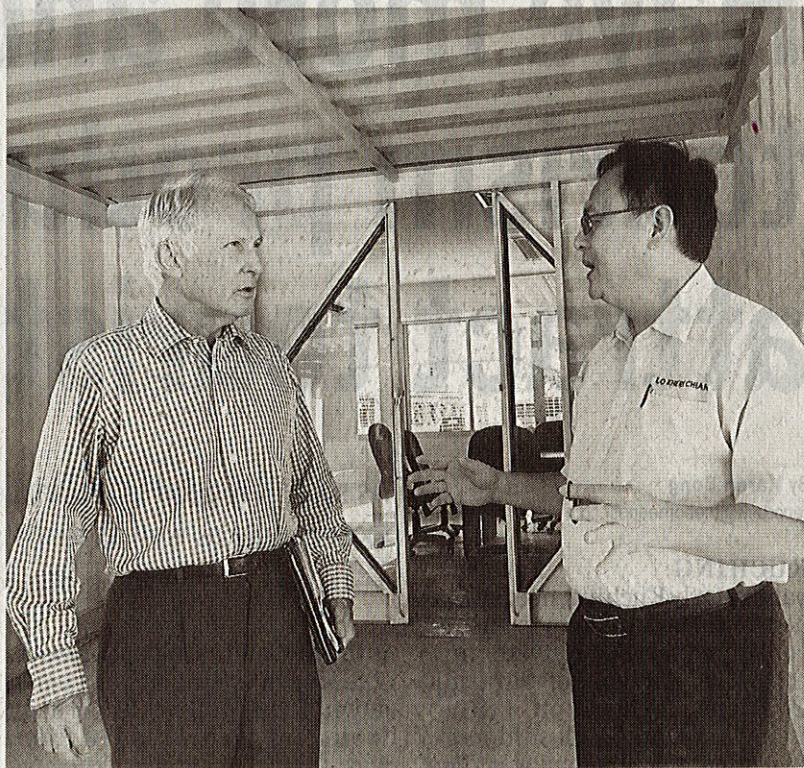

KUCHING: Batu Kitang assemblyman Lo Khere Chiang is impressed with CMS Borneo 744 - Entrepreneur & Arts District after visiting the place on Wednesday.

He commended Cahaya Mata Sarawak (CMS) for implementing the project as its corporate social responsibility (CSR) initiative.

"I would like to congratulate CMS Group Managing Director Dato Richard Curtis on this project and for the impressive touring of this 120,000 sq ft entrepreneurs and arts space," he said in a press statement.

"This is very good move because renting massive space at minimal charge so that the creative and performing arts, selected sports and leisure activities, start-up and small-scale producers and entrepreneurs from the community are free to realise their creativity and potential without being burdened with the worry of massive overheads, will really lighten the load of many aspiring entrepreneurs and artists."

Lo added that the platform would enable aspiring entrepreneurs to scale greater heights.

Lo (right) speaking to Curtis during the visit.

CMS Borneo 744 - Entrepreneur & Arts District is located at Malaysia's first Blue Ocean

Entrepreneurs Township (BOET) Borneo 744 @ Jalan Semangat, Bintawa.
